Policy Statements for Health, Safety & Welfare

Apex Scaffolding Anglia Ltd. Are committed entirely to the preservation of our employee's health, safety, welfare and the environment.

At the planning stage and throughout our processes from inception to completion, so far as is reasonably practicable, ensure the health, safety and welfare of everyone engaged in or affected by our activities taking into consideration 3rd parties.

We will consider the environment when planning and carrying out our activities ensuring so far as is reasonably practicable minimal disruption and environmentally friendly techniques.

For the purposes of health and safety, labour only subcontractors will be viewed in the same manner as directly employed personnel.

We will through continual development and implementation ensure:

- Safe and Healthy working conditions and systems of work, which when carried out, will not affect our or others health, safety or welfare
- Facilities for employer/employee consultation on health and safety matters and discussions with individual employees before giving them particular health and safety responsibilities
- A commitment to the provision of relevant information, instruction and training in respect of their Health and Safety which may arise out of their work or workplace
- Safe arrangements for the use, handling, storage and transport of articles and substances, extending to work equipment & company vehicles
- Personal protective equipment, Respiratory protective equipment and Safety equipment to conform to statutory requirements
- Continually strive to improve health, safety, welfare and environmental awareness
- The Company further undertakes to ensure that adequate resources are available for the implementation of this policy and continually improving workplace safety

This policy will be reviewed at periods not exceeding 12 months.
